

# Ms Pomelo Post-op Bra Kit

Helping women move forward

For good postoperative healing you need compression for the daytime and gentle support for the night. Our day-and-night set is an effective post-op bra kit. And we priced it reasonably as you may need several

## Daytime bra

Day & night set £35.00 (ex-VAT)

Colour: Black

This is our daytime postoperative bra. The polyamide cups stretch to ensure a solid fit, compression, and excellent support for the chest while giving complete comfort. The classic T-cup shape is the closest fit to the natural shape of the breast and works equally well for smaller and larger cups. It is easy to wash and quick to dry. It can also be worn as a regular mastectomy bra.

Fabric content: 70% polyamide, 20% elastane, 10% cotton; cup pockets 100% cotton.

**Designed for:** all shapes

**Coverage:** full

**Support:** high

**Sizes:** 36-44 C, D, DD, E, F, G, H

### Features

- 1 Non-underwired cups
- 2 Deep front- and side-panels help conceal post-surgery scars
- 3 Wide foam-cushioned straps balance the weight on the back and shoulders and do not leave marks on the body
- 4 Wide elastic at the bottom of the band helps to further stabilise the fit, which is important for fuller figures
- 5 Bilateral pockets are hypoallergenic (100% cotton)
- 6 Tall sides help manage any bulge and prevent the breast from slipping
- 7 Stretchy adjustable rear straps
- 8 3X3 hook-and-eye closure on all sizes

## Night vest

Day & night set £35.00 (ex-VAT)

Colour: Black

Designed to be worn in the early postoperative period. The high content of natural fibres provides good absorption and breathability, and promotes rapid healing of surgical scars. And for easy maintenance we made it in black.

Fabric content: 90% cotton, 10% elastane; cup pockets 100% cotton.

**Designed for:** all shapes

**Coverage:** full

**Support:** medium

**Sizes:** 36-44 C, D, DD, E, F, G, H

### Features

- 1 Non-underwired cups
- 2 Special sewing technique and flat seams provide gentle contact with the skin
- 3 Front double-row hook & eye closure (with soft fleece base) makes it is easy to put on and wear
- 4 Wide foam-cushioned straps balance the weight on the back and shoulders and do not twist
- 5 Pockets for light prosthesis
- 6 Wide elastic at the bottom of the band helps to further stabilise the fit, which is important for fuller figures

# Steps to order

- 1 Our sizing is consistent with major names on the street. We use cup size progression of C, D, DD, E, F, G, H, etc. You can also determine your size by using our tutorials on Bra School page (<https://mispomelo.com/bra-school/>) or by visiting our workshop (<https://mispomelo.com/workshops>).
- 2 Email your order to [care@mispomelo.com](mailto:care@mispomelo.com) using Order form on page 5.
- 3 Once we receive your order, we will invoice you via Paypal, which will give you a number of options to pay.
- 4 When we receive the payment, we will ship the parcel to you. We use 2 delivery services: (1) Interlink Express courier delivers next day at a time convenient for you, shipping fee is £5, and (2) Royal Mail 2<sup>nd</sup> Class Signed-for service that delivers within 3-5 working days. This option is free.

**Notice for mastectomy patients buying mastectomy products:** If you are a mastectomy patient buying a bra for yourself, you qualify for VAT relief; please sign the VAT concession box.

**Returns & refunds:** If you want to return the product, please notify us within 14 days of receipt on [care@mispomelo.com](mailto:care@mispomelo.com). The item must be unworn, unsoiled, and in a resalable condition with all tags still attached. The cost of returning items to us is at purchaser's expense. We will issue refund within 14 days of receiving the goods. See our Terms & Conditions for full details <https://mispomelo.com/terms-conditions/>

**Our contacts:** email [care@mispomelo.com](mailto:care@mispomelo.com) or online contact form at <https://mispomelo.com>
